Open your ears and your mind and listen to any one of his songs." _NEO Magazine (2012 New York)

WIND (GNPR-1152/2018 release)

"It rocks my heart like a wind of one. It is neither gusts nor breeze. It is comfortable, but it is not just that, it has strength. This balance is exquisite. From Normandy to the universe, this wind keeps blowing everywhere." _Jazz JAPAN Magazine (2018 Japan)

"Contemporary jazz with its overwhelming energy and rich lyricism will not leave my ear once I hear it ...

The real "sound" in the music is because what he learned in real experience will be reflected. He is a minstrel who travels the world and is a realist." _Jazz JAPAN Magazine (2018 Japan)

"In addition to the conventional jumping drive feeling, he will also show landscape observations in foreign countries, ethnicism which can tighten our hearts, hand clapping used for flamenco, and his sweet vocals.

Looking for new grounds, keeping the spirit of nature but powerfulness, you can see the holding as a band that has always challenged growth and change. " _Tower Records Magazine/intoxicate (2018 Japan)

God dwells in everything (GNPR-1164/2020 release)

"Yuichiro Tokuda and his band RALYZZDIG, they took a close look ahead at the current crisis and the world after that, and created a magnificent lyric poem that could be called a guidepost. An unprecedented work brought about by under the COVID-19. I would like to recommend to everyone who is losing power and hope." _Jazz JAPAN Magazine (2020 Japan)

"I think Tokuda was also aware of it, but I remembered Coltrane's "A Love Supreme." Anyway, it is a complete album with a magnificent view of music and performance. Yuichiro Tokuda, a saxophonist born in 1981, is one of the most creative musicians today." _Jazz JAPAN Magazine (2020 Japan)

"I admire the spiritual strength and creativity that make up such a masterpiece. A satisfying work that Tokuda dedicated with all his heart and mind and strength." _Jazz JAPAN Magazine (2020 Japan)

"A masterpiece that depicts 2020 with music. Full of performances that show the high level of performance of the band and the strength of cohesion." _Jazz Life Magazine (2020 Japan)
